Thank you for choosing Bethel Animal Health Veterinary Clinic! We strive to earn your trust by treating your pet as we would like ours to be treated during their stay with us.

Your appointment for: _____ is scheduled on _____ and we look forward to seeing you.

Admission: Please bring your pet for admission between 7:30-8:30am the morning of surgery. Due to the amount of surgeries we do, there may be a line. Please fill out the attached Surgical Consent Form prior to surgery to expedite the admission process.

****Cats should all be in carriers and dogs on a 6ft leash, or carrier, for the health and safety of everyone. We have cardboard pet carriers on site, at a nominal fee, for those without carriers.***

Pick Up: Same day procedures typically go home between 3:00-4:30pm (such as a Neuter), and next day surgeries are picked up the following morning between 9:00-12:00pm (such as a Spay). If these time frames do not work for your schedule – please let us know in advance so we can make other arrangements. This will also be the time when we collect payment and review all homecare instructions.

Pre-Op Instructions: It is very important that you do not feed your pet after 10:00pm the night before surgery. Water is allowed and may be left available up until surgery.

Registration Paperwork – Included in this packet is the Surgical Consent Form – this form will need to be filled out by the owner/ agent of the patient. We will call after surgery at the primary number listed on the form to notify you of how your pet is recovering.
